   ESPLOST IV Playground Equipment Bids for LCES, MLES, JPBES and SZES

V. Work Session
   Gifted Program Update

VI. Personnel Recommendations

VII. Executive Session

VIII. Return to Open Session

IX. Adjourn
TO: Charles Wilson
FROM: Paul Webb and School Principals
RE: ESPLOST IV Playground Equipment
DATE: January 22, 2019

There are four elementary schools which went through the sealed bid process for securing competitive bids for playground equipment, funded with ESPLOST IV money. Each school worked with their faculty/staff and leadership team to determine the appropriate needs per school. The only limitation was that the sealed bid be under $85,000. Each company was asked to submit a description and design for the playground at each school. Several companies submitted bids for each school playground. Once bids were opened, the school leadership team looked at each of the bids and decided which company best fulfilled the playground equipment needs of their individual school.

Sealed bids were opened on January 16, 2019, and the principal selected the bid which best fit the needs of their individual school. Those schools are as follows:

Langston Chapel Elementary School
Mattie Lively Elementary School
Julia P. Bryant Elementary School (selected bid not yet received; principal wants to further discus options with school leadership team and school council).
Sallie Zetterower Elementary School

Attached is the compilation of bids for each school and the reason the highlighted company was selected by each school leadership team.

We are asking that the Board of Education approve the bids for the three schools that have submitted selection so that we may award the respective bids, order the equipment and have it installed during the summer. JPBES will be submitted at a later date for approval.
## ESPLOST Playground Bids
